Origin

part of the area of Treviso, Venezia.

Winemaking

hand-picked grapes; 20-day maceration in steel vats. After the alcoholic fermentation, the wine is decanted into 220-litre oak barrels where it completes the malolactic fermentation (after an initial decanting stage). The wine is decanted into medium toasted barriques (Allier French oak). The final stage of ageing lasts for 2 months. The Cabernet Merlot Batista is bottled when it's 2 months old and is aged for another 8 months.

Storage and ageing

in the cellar, at controlled humidity and a temperature of 10- 12°C. Maximum ageing from 4 to 6 years. The smoothness may improve considerably over time.

Colour intense ruby red with purplish highlights.

ANNO DOMINI
VINEYARDS

Colour

intense ruby red with purplish highlights.

Bouquet

intense ruby red with purplish highlights.

Flavour

balanced, reminiscent of cherry jam, with an aftertaste of coffee and chocolate, it has a high content of tannins, acidity and alcohol, fullbodied and a long-lasting aftertaste. When it is still young, it has weighty tannins and is fairly smooth, which will improve with age.

Packaging

in 75 cl bottles in boxes of 6.

Magnums available.

The Winemaker's notes...

in terms of the Batista we have also striven to present a wine that makes an impression due to its unique and special characteristics. A considerable amount of the work is in fact done in the vineyard, where bunch thinning and the optimal selection of the bunches is done using the same methods adopted for both wines. Once the maceration has finished and after having done two rackings, the wine is transferred into the barriques, where it remains for a variable period. Only the best barriques are chosen for this superb wine.
