Rosé

Bottling: Mèze, France

Grape Variety: Grenache, Syrah, Cinsault

Story: We have partnered with the largest vineyard owner in France (1800 hectares) and a Spanish producer to offer an outstanding wine in beautiful packaging for the best possible value. The idea is to blend the two sides of the Pyrenees Mountains, Le pays Catalan in France and Catalunya in Spain.

French Vineyard: Located in the village of Capestan, the vines grow on clay hills close to Perpignan.

Spanish Vineyard (Grenache): is terraces of slate from the village of Martorell.

Winemaking: In both regions the wines are made with direct press, in order to limit the contact with the skin and have a beautiful attractive pale color. With this press technique the wine offers more finesse and complexity.

Tasting notes: Petal rose color and sweet English candy flavors. Savory and round with notes of citrus on the finish.

Perfectly exemplifies of the Mediterranean lifestyle and
“Joie de vivre”.
